Children under the age of 16 years of age are not permitted to use the thermal facilities. Children aged 16 – 17 may use the thermal facilities with an adult present. Please take time to read the safety guidelines

before using any of the thermal experience, and do not exceed the recommended duration of use. We recommend that you stay hydrated when using these facilities, so please make use of the water available poolside.

We welcome residents of the hotel to bring their families to the spa during our designated family swim times.

Family hours are as follows:

Coworth Park respectfully reserves the right to terminate any spa membership if membership fees are not paid on time and in accordance with our payment policy.

Membership fees can be increased at any time without notice. Members are required to give one month’s written notice should they wish to terminate their membership to The Spa at Coworth Park.

Members must sign in on arrival at the spa reception desk.

For a fee of £40 per visit, members may bring one guest (over the age of 16 years) to the spa. Members must

either present a guest pass or pay for their guest on arrival at the spa. The member must stay on the premises for the duration of their guest’s visit.

Please call the spa in advance to check availability. A maximum of two guests can be booked at any one time by a member. Weekend access may only be booked on the day, with availability being subject to the occupancy of the hotel and spa.

Completion of the application form does not guarantee acceptance of the membership application. Coworth Park reserves the right to refuse a membership application or terminate a membership with immediate effect. Membership fees are not refundable or transferable to another person or any other outlet in the hotel. Memberships may not be paused at any time.

If you decide to rejoin after terminating your membership, please note that after a period of 12 months from termination, you will be required to pay the joining fee.

With The Spa at Coworth Park being part of the hotel, there may be occasions where the hotel is under exclusive use. During these times, members will not be able to access the hotel, the restaurants, and the wider hotel grounds. Exclusive use periods will be communicated to members in advance.
