TEAS AND INFUSIONS BY BETJEMAN & BARTON

For over a century, Betjeman & Barton has been selecting and blending exceptional teas, combining tradition and creativity.

WHITE TEA

Pai Mu Tan – China

A revered white tea made from the first flush of spring leaves, producing a fresh, mellow and sweet tasting tea with a floral aroma.

GREEN TEA

Sencha – Japan

A loose-leaf Japanese tea with a clean green flavour that's sweet, fresh and invigorating. Best enjoyed with milk.

Jasmine – China

A soft, vivid infusion naturally scented with fresh fragrant jasmine flowers.

Mint – Morocco

A fresh, soothing and herbaceous tea in which high quality mint leaves are whole-dried to preserve its intense menthol aroma.

BLACK TEA

Earl Grey – China

A full-bodied black tea infused with natural bergamot essence to create a bold and intensely fragrant cup with plenty of citrus zing. Enjoy with milk or a slice of lemon.

Darjeeling Testa Valley – India

A warming, fragrant and rounded infusion that captures the essence of summer in Darjeeling.

ROOIBOS (caffeine-free)

Jardin Rouge

A highly fragrant and aromatic blend made with sunflower blossoms and flavoured with rose, strawberry, vanilla and grapefruit.

HERBAL INFUSIONS (caffeine-free)

Verbena

Renowned for its calming and soothing properties, verbena tea is first and foremost a herbal tea with sweet and comforting notes, much to the delight of tea lovers young and old. It is also characterized by a fresh and slightly lemony aroma.

Linden tree

A mild, sweet and honeyed tea that's known for its relaxing and soothing properties.

Lemongrass

A mild, sweet and honeyed tea that's known for its relaxing and soothing properties.
