**MUSCLE RECOVERY
MASSAGE**
60 / 90 minutes

Aid sports recovery and relieve soreness with this intensive full-body massage. A short Hypervolt percussive massage targets tight muscles, followed by deep tissue techniques and dynamic stretching to ease aches, improve circulation and enhance flexibility. A topical CBD balm soothes joints and can be taken home afterwards for quick relief.

**PINK HIMALAYAN
WARM STONE
MASSAGE**
60 / 90 minutes

Unwind with a gentle and soothing massage. Warm pink Himalayan salt stones are carefully placed on the body, melting muscle tension for instant relief. A refreshing cryotherapy facial, using chilled gemstone rollers, reduces the appearance of puffiness while stimulating collagen production for a refreshed and revitalised finish.

MATERNITY MASSAGE
60 / 90 minutes

A soothing massage specifically designed to relieve pregnancy and postpartum symptoms. Kate McLeod's Mama Stone hydrating lotion bar glides over the skin while careful and gentle strokes alleviate sore aches. This nurturing, pampering massage is perfect for those expecting in their second or third trimester, and for new mums.

**ANTI-AGEING
AYURVEDIC RITUAL**
90 minutes

A blissful treatment combining ancient methods with luxurious UMA ayurvedic oils for a completely calming experience. This ritual begins with an exfoliating dry brush followed by an anti-ageing body scrub made from coconut sugar, orange peel and honey, and a nourishing anti-ageing body balm to deeply hydrate the skin.

**VITAMIN C +
C FIRMING AND
TONING RITUAL**
90 minutes

A sensory citrus experience that polishes the skin for a radiant finish. A blend of vitamin C, green tea and rose gently removes dead skin cells while a silky body wrap calms and nourishes. A collagen-infused face mask and soothing scalp massage are followed by a hydrating vitamin C body cream, leaving your skin soft and supple.

**THE HOLLYWOOD
GLOW RITUAL**
90 minutes

A full-body treatment, fit for an icon. This luxurious experience begins with a warm pink Himalayan stone massage to ease muscle tension before hydrating with Natura Bissé's Diamond Body Cream. A hand and foot scrub follows, using Natura Bissé's Diamond Well-Living scrub to gently buff away dead skin cells for a smooth finish.
