# DISCOVER ROME

---

It's no accident that Rome is known as the 'Eternal City'. From imposing architectural marvels to beautiful artworks and historic landmarks, it's filled with monuments from its grand and glorious past, all just waiting to be discovered.

## ARTS & CULTURE

Rome is a treasure trove of galleries and works of art. For many, St Peter's Basilica and the Sistine Chapel can be main motivations for visiting the city, where visitors can weave their way through the artistic treasures of the Vatican before marvelling at Michelangelo's magnificent ceiling fresco.

Head to the former Villa Borghese Pinciana to stroll through 20 rooms of classical antiquities and the world-famous sculptures at Borghese Gallery, or see the works of Renaissance artists Raphael and Caravaggio at baroque palace Palazzo Barberini. For modern masterpieces, the striking MAXXI (National Museum of Art of the 21st Century) showcases contemporary works by international artists, including the mind-altering sculptures of Anish Kapoor.

## THEATRE & MUSIC

Rome has a number of beautiful opera houses and theatres for seeing world-class performances, including Teatro Argentina, one of the oldest theatres in Rome, and opulent Teatro dell'Opera di Roma, which holds open-air performances at the Caracalla Baths during summer. Not far from the Colosseum, Teatro Eliseo also has an impressive calendar of classical plays and concerts.

## ATTRACTIONS

For many, the first image of Rome that comes to mind is the indomitable Colosseum. This architectural marvel was built in 80 AD to host the gladiator games, and is now one of Rome's most popular tourist attractions and a Unesco World Heritage site. Visitors can gain an insight

to the different levels of the arena, from the upper-level spectator seats right down to the underground maze of tunnels and trap doors.

Just a few minutes' walk from the hotel, you'll find the grand Spanish Steps, a 135-step stairway leading up to the Trinità dei Monti church. Nearby you'll also find the Trevi Fountain, the largest baroque fountain in the city, where legend has it, if you throw a coin into the fountain you are guaranteed a return visit to Rome.

## SHOPPING

With countless independent boutiques and designer stores scattered across the city, Rome offers plenty of opportunity for retail therapy. Close by the hotel you'll find Via dei Condotti, Via Borgognona and Via Frattina, home to some of the biggest names in Italian design, from Ferragamo and Fendi to Dolce & Gabbana, Versace and Bvlgari. For a more local shopping experience, follow the Romans to Via del Boschetto for handmade clothing and jewellery.

## BARS & RESTAURANTS

Within easy reach of Rome's finest bars and restaurants, guests are in an ideal position to sample the city's culinary delights. Many of the cobbled streets are lined with charming trattorias for soaking up the local atmosphere and enjoying traditional Italian cuisine, or head to a rooftop restaurant to take in the sights of the city from the ultimate viewpoint.
