## DORCHESTER COLLECTION ANNOUNCES MAJOR AWARD WINS ACROSS GLOBAL PORTFOLIO

**London, September XX, 2024** – Dorchester Collection is pleased to announce a series of awards and recognitions that highlight its ongoing dedication to excellence across its global portfolio. Among the most notable achievements, The Lana in Dubai and Hotel Bel-Air in Los Angeles have secured coveted positions in the World’s 50 Best Hotels 2024. This recognition, along with several accolades across Europe and the United States, emphasises the Collection’s commitment to delivering exceptional service and guest experiences.

### WORLD’S 50 BEST HOTELS

Dorchester Collection’s newest property The Lana in Dubai and Hotel Bel-Air in Los Angeles were recognised as part of the World’s 50 Best Hotels 2024. The Lana makes the prestigious list only eight months after its opening and Hotel Bel-Air, one of Los Angeles’ most iconic hotels since its establishment in 1946, proudly stands as the sole hotel in California to be included.

The rankings were revealed on Tuesday, September 17 at London's Guildhall, where influential figures in the hospitality industry gathered to celebrate. This year’s list features properties from 37 different locations across six continents, showcasing the global diversity and quality of luxury hotels.

## MICHELIN KEYS AND STARS

With the introduction of the Michelin Key awards this year, Dorchester Collection is proud that all its hotels have been recognised in countries where the accolades have been announced. The new awards evaluate hotels across five criteria: architecture and interior design, quality and consistency of service, overall personality and character, value for money, and contribution to the guest experience.

In Paris, Hôtel Plaza Athénée and Le Meurice each received three keys, the highest possible distinction. In Italy, Hotel Eden in Rome and Hotel Principe di Savoia in Milan were awarded one key each. Meanwhile, in the United States, The Beverly Hills Hotel and Hotel Bel-Air in Los Angeles also received three keys. The Michelin Key awards affirm Dorchester Collection's commitment to maintaining the highest standards in all aspects of the guest journey.

In addition to these key awards, Sushi Kanesaka at 45 Park Lane, led by Chef Shinji Kanesaka, earned one Michelin star in the Michelin Guide Great Britain & Ireland 2024, just seven months after opening. Sushi Kanesaka is a 13-seat omakase restaurant that showcases the traditional sushi techniques perfected by Kanesaka-san, whose Tokyo restaurant holds two Michelin stars.

This achievement brings all three of Dorchester Collection's UK hotels to Michelin status: Alain Ducasse at The Dorchester with three stars, Woven by Adam Smith at Coworth Park with one star, and Sushi Kanesaka with one star. In addition, Dorchester Collection's Paris restaurants; Jean Imbert au Plaza Athénée and Restaurant Le Meurice Alain Ducasse are awarded one and two stars respectively.

Dorchester Collection has also been recognised for its working environments. The Dorchester, 45 Park Lane, Coworth Park, and the UK-based corporate office, have all been recognised in the Sunday Times 100 Best Places to Work 2024.
