# DISCOVER LONDON

With its unique and vibrant blend of history and culture, London offers visitors an eclectic range of museums, galleries, public parks and attractions. As one of the gourmet capitals of the world, new restaurants, clubs and bars are opening in London all the time, so there are plenty of reasons to come back again and again.

## ARTS & CULTURE

Widely regarded as a hotbed of contemporary artistic practice, London has hundreds of small private galleries located in and around Mayfair and St James. A vibrant gallery scene can be found on nearby Cork Street and further east in Shoreditch and Hackney, while the Frieze Art Fair takes place every October in nearby Regent's Park.

Major collections and exhibitions can be seen at the Saatchi Gallery, Tate Modern, Tate Britain, the National Gallery, National Portrait Gallery, Royal Academy of Arts and the Design Museum. London also has a rich selection of museums – many of which are only a short distance from the hotel, such as the British Museum, Victoria and Albert Museum (V&A), Natural History Museum and the Science Museum.

## THEATRE & MUSIC

Many of London's West End theatres, the Royal Albert Hall, Royal Opera House and the English National Opera are just a short ride from the hotel. Shakespeare's Globe, The National Theatre and the Southbank Centre are all nearby.

## ATTRACTIONS

The Dorchester is close to the majority of London's most popular attractions such as Buckingham Palace, the Houses of Parliament, Big Ben and Westminster Abbey. Located opposite The Dorchester, Hyde Park is the city's largest Royal Park. It's home to the Diana, Princess of Wales, Memorial Fountain and the Serpentine Gallery. Visitors can also enjoy a range of leisure activities including jogging, tennis, horse-riding, and boating on the Serpentine.

## SHOPPING

Near the hotel, discover London's most exclusive shopping areas such as New Bond Street, Old Bond Street, South Molton Street, Knightsbridge, Sloane Square and Chelsea. With a wide range of leading brands, high street names and specialist retail outlets, Oxford Street, Regent Street, Piccadilly and Covent Garden are also within walking distance.

## BARS & RESTAURANTS

Within easy reach of London's finest bars and restaurants, guests are in an ideal position to sample London's culinary delights. From fine dining to international cuisine, London is home to some of the world's most acclaimed chefs. With an array of traditional pubs, stylish gastropubs and contemporary bars in the area, you'll be able to take full advantage of London's vibrant nightlife.

## THE DORCHESTER LONDON

### FOR THE PEOPLE WHO MAKE THE WORLD TURN

---

Standing tall in Mayfair, The Dorchester is a magnificent London landmark and a destination in itself. Here – within London's vibrant spirit – the worldly and the curious feel at home.

## RESTAURANTS & BARS

### THE GRILL BY TOM BOOTON

At the heart of the hotel, The Grill is a three-rosette restaurant headed up by the talented Tom Booton, our youngest ever head chef. Delicious dishes range from grill favourites alongside our chef's signature inventive desserts. Lively and welcoming, the restaurant fuses The Dorchester's iconic elegance with a contemporary tone and creative details. Available for exclusive use.

### VESPER BAR

Serving up an illustrious history and lively reputation, our bar has long been London's ultimate destination for cocktail sipping, celebrating and deal making. For this is the address where the energy and spirit of the city thrives. Here, every drink is poured into bespoke glassware and savoured alongside a cool soundtrack and globally-inspired bites from the eclectic bar menu. Let the good times roll.

### ARTISTS' BAR

The heart of the hotel for informal dining, a drink, or simply watching the endlessly fascinating world of life at The Dorchester happening around you. Mayfair's worst kept secret shimmers at the far end of The Promenade, where those in the know enjoy evenings of champagne and cocktails, seafood and sparkling entertainment.

### THE PROMENADE

The ever-welcoming heart of The Dorchester, with dining choices to suit every occasion and cocktail creations to dazzle every night. Mornings awake to indulgent breakfasts, such as honey-drizzled buttermilk pancakes served with fabulous coffee and refreshing juices. Not-to-be-missed lunches of superfood salads and hearty favourites are followed by our famous afternoon tea, which needs little introduction except to highly recommend you try it. As evening descends, the intimate atmosphere glows with good company and delightful cuisine.

### ALAIN DUCASSE AT THE DORCHESTER

A three Michelin-starred restaurant, Alain Ducasse at The Dorchester offers contemporary French cuisine in elegant surroundings. Executive chef Jean-Philippe Blondet interprets Ducasse's cuisine by championing seasonal produce. Signature dishes include truffled chicken quenelles and a classic vegetable cookpot. Private dining areas are available.

### PARCAFÉ

Our coffee shop serves a variety of delicious drinks and bites, and is located on Park Lane overlooking Hyde Park.

## ROOMS & SUITES

Guests can choose from 238 individually designed rooms and suites, decorated in a classic English residential style. Spacious and elegant, each room features specially commissioned fabrics, bespoke furniture and exceedingly comfortable beds, while our Italian marble bathrooms feature what are rumoured to be the deepest baths in London. All rooms and suites feature Bang & Olufsen LCD screens and Wi-Fi internet access. Our technical guest services team is on hand to assist with technical needs.

There are 56 individually decorated suites including Art Deco Studio Suites and the beautifully restored Dorchester and Park Suites, by leading designer Alexandra Champalimaud. Most suites enjoy breathtaking views over Hyde Park and many interconnect with up to five rooms.

Known collectively as the 'roof suites', The Audley Penthouse, The Terrace Penthouse and The Harlequin Penthouse evoke the spirit of 1930s Hollywood glamour. All three suites feature fresh, modern and luxurious interiors, outdoor terraces with unrivalled views over London, and a dedicated team of butlers on hand to take care of your every wish.

## SPA

### THE DORCHESTER SPA

The Dorchester Spa exudes 1930s Art Deco glamour and contemporary design. Signature facials are by internationally renowned brands Carol Joy London, Aromatherapy Associates and Valmont. The spa features four treatment rooms including one double suite, a manicure and pedicure suite and sleek Relaxation Room.
