THE PARISIAN WELLNESS SANCTUARY

HOTEL PLAZA ATHÉNÉE AND THE HOUSE OF DIOR
THE DIOR SPA PHILOSOPHY
THE DIOR LIGHT SUITE

HOTEL
PLAZA
ATHÉNÉE
AND THE HOUSE OF
DIOR

For over 110 years, Hôtel Plaza Athénée at 25 Avenue Montaigne has symbolized a unique style of *art de vivre* that is imbued with true Parisian chic.

In 1946, the House of Dior was established just a few steps away at number 30, becoming a close neighbor of the luxury hotel. The iconic Bar suit designed by Monsieur Dior is testament to the close relationship that subsequently developed. The legendary designer took inspiration from the bar at the Relais Plaza to create something women would feel more comfortable in when enjoying an evening there. The couture house and the luxury hotel have been a key feature of life on Avenue Montaigne ever since. These two vibrant celebrity hotspots simultaneously spring to life as celebrities staying at the hotel enjoy making their regular visit across the avenue to shop at Dior, as Marlene Dietrich, Rita Hayworth, Ava Gardner, Lauren Bacall, Jackie Kennedy, Elizabeth Taylor and Sophia Loren, among many others, have done before them.

In what has become an enduring ritual, when movie stars and celebrities from the world of fashion are staying in Paris or attending Fashion Week, they make sure not to miss that special visit to the iconic boutique, and to the Dior haute couture salons.

« Elegance is a quality,
that captures every
aspect of a person.
Its invisible details count
just as much as the
visible ones. »

THE DIOR SPA PHILOSOPHY

At Dior Spa Plaza Athénée, beauty arises from balance: a delicate fusion of mind and body, inspired by Christian Dior's timeless vision: "I wanted to make women not only more beautiful, but also happier." With a commitment to **High Definition**, each treatment is designed with absolute precision to meet individual needs. A tailored diagnostic ensures a thorough understanding of the skin and body, allowing for highly personalized care that enhances natural radiance.

Blending **High Technologies** and expert techniques, Dior Spa treatments work in perfect synergy to rejuvenate the skin, sculpt the silhouette, and illuminate the face. Advanced devices enhance each ritual, delivering visible and lasting results while promoting deep relaxation of the mind.

At the heart of this transformation lies the **High-Precision** expertise of the Wellness Experts, who perform meticulously choreographed rituals designed to awaken the senses and restore harmony. The mastery of the "Dior Hands," enhanced by modern innovation, creates an immersive and multi-sensory journey that elevates both beauty and well-being.
