THE PARISIAN WELLNESS SANCTUARY

HÔTEL PLAZA ATHÉNÉE AND THE HOUSE OF DIOR
THE DIOR SPA PHILOSOPHY
THE DIOR LIGHT SUITE

HÔTEL
**PLAZA
 ATHÉNÉE**
 AND THE HOUSE OF
DIOR

For over 110 years, Hôtel Plaza Athénée at 25 avenue Montaigne has symbolised a unique style of art de vivre that is imbued with true Parisian chic.

In 1946, the House of Dior was established just a few steps away at number 30, becoming a close neighbour of the luxury hotel. The iconic Bar suit designed by Monsieur Dior is testament to the close relationship that subsequently developed.

The legendary designer took inspiration from the bar at Le Relais Plaza to create something women would feel comfortable in when enjoying an evening there – and both the couture house and the luxury hotel have been a key feature of life on avenue Montaigne ever since. These two vibrant locations simultaneously spring to life as celebrities staying at the hotel enjoy making their regular visit across the avenue to shop at Dior, as Marlene Dietrich, Rita Hayworth, Ava Gardner, Lauren Bacall, Jackie Kennedy, Elizabeth Taylor and Sophia Loren, among many others, have done before them.

In what has become an enduring ritual, when movie stars and celebrities from the world of fashion are staying in Paris or attending Fashion Week, they make sure not to miss that special visit to the iconic boutique, and to the Dior haute couture salons.

“Elegance is a quality that captures every aspect of a person. Its invisible details count just as much as the visible ones.”

DIOR SKIN ATELIER FACIAL

FACE – 90 MIN

€ 700

Benefits : Contour Redefining | Sculpts | Regeneration | Firming

Inspired by the excellence of Haute Couture, this treatment embodies the pinnacle of Haute Wellness through total personalization. Tailored to the unique needs of each guest, this non-invasive treatment is meticulously designed to deliver exceptional results based on skin type.
