PRESS RELEASE

LE MEURICE AND CEDRIC GROLET REVEAL FESTIVE TREATS FOR 2024

Paris, September 2024 – Le Meurice and Cedric Grolet have revealed their takes on a traditional yule log for the 2024 festive season.

The logs, designed alongside chefs François Deshayes and Vincent Puma, will be presented in the form of two distinct baskets. The first, The Citrus Basket, is the perfect choice for those looking for something light and fresh, while The Chestnut Basket will suit those looking for a richer taste.

A third dessert will also be available for guests to purchase in time for the New Year – the Noisette Galette.

THE CITRUS BASKET

This modern take on a festive favourite, The Citrus Basket is made up of a Japanese citrus biscuit, with alternating layers of lemon, orange and grapefruit. The flavour of berry marmalade is combined with a vanilla mousse to create a smooth, rounded texture.

THE CHESTNUT BASKET

Inspired by the flavours of the classic French dessert, the Mont-Blanc, this original spin on the traditional yule log is topped with small bites of chestnut shaped delights, composed of gel and praline. The wicker-style basket is made from a Japanese biscuit that is covered with a hazelnut praline crisp, and meringue slivers. A chestnut cream at the heart of the dessert, enveloped in a light vanilla mousse, complete the dessert.

Both baskets are available to pre-order from Wednesday, November 27 on the Le Meurice website. Collection is available from Wednesday, December 11, until Tuesday, December 31. Each basket serves eight people and can be purchased at a cost of €110 (limited edition, available for pre-order only).

NOISETTE GALETTE

The Noisette Galette is a traditional golden-brown puff pastry with a creamy hazelnut frangipane filling. This is a simple but delicious dessert to welcome in 2025.

The Noisette Galette is available to pre-order from Wednesday, December 25 on the Le Meurice website. Collection is available from Wednesday, January 1 to Sunday, January 12. The Noisette Galette serves six people and can be purchased at a cost of €35 (limited edition, available for pre-order only).
