PONY EXPERIENCE

Coworth Park's younger guests are invited to spend two fun hours at the stables. Here they will learn how to groom and care for their own special pony, tack up and go out for a fun riding lesson to suit their ability before taking home their own Coworth Park grooming kit bag filled with horsey goodies including a photo of them with their pony. This is one of our favourite activities as it's always full of such happiness.

CHILDREN'S BIRTHDAY PARTIES

Our team of ponies and staff are waiting to create and host a perfect pony party for groups of four children or more. As well as a lot of cuddling they can brush and plait the ponies' manes, paint their hooves and make their coats gleam before tacking up and enjoying some easy gymkhana games such as bending poles, sack races, apple bobbing and much more. They then re-fuel with a pony themed feast in the Coworth Park Kids and a bespoke birthday cake before kissing their pony goodbye and taking home their very own Coworth Park party bag and many happy memories.
