

Press Release

March 2021

It's Mother's Day at Le Meurice!

This year, Mother's Day will be quite unlike any other!

Indeed, to mark the day on **30 May**, Le Meurice has imagined **THE** ideal gift to say THANK YOU to mums. An exclusive limited-edition gift box including:

- **A made-to-measure one-hour body or face care**, the choice is yours, **at the Spa de la Maison Valmont pour Le Meurice**. The opportunity to offer yourself a peaceful interlude and discover La Maison Valmont, a new showcase combining beauty and contemporary art.
- **An exclusive notebook** resulting from a collaboration between Le Meurice and the Maison Antoinette Poisson. This little softcover notebook, decorated with a pattern inspired by Le Meurice, stems from the collection of domino papers, the creators' hallmark. Both elegant and practical, it has all it takes to become the must-have accessory of authoresses and fans of To Do Lists.
- And lastly, what could be chicer than a **bouquet of spring flowers** created by the Palace's florist for paying all due respect to tradition?
