

# THE BARN

## BUBBLES BY THE GLASS

### Veuve Clicquot Yellow Label

*Veuve Clicquot manages to reconcile two opposing factors - strength and silkiness - and to hold them in perfect balance with aromatic intensity and freshness. This consistent power to please makes it ideal as an aperitif, and perfect as the champagne to enjoy with a meal.*

### Veuve Clicquot Rosé

*Madame Clicquot first blended Rosé in 1818 by adding some red wine to Yellow Label champagne. The result is a coppery-orange colour with expressive aromas of very ripe wild strawberries. A full-bodied, structured, vinous palate which stays fresh. Length and character define this champagne.*
