## Assam Second Flush

This Assam tea is notable for its beautiful leaves. The rich black tea comes from a single estate with the highest tip leaves, brewing a deep copper liquor with a smooth and malty body.

## Ceylon Pedro Pekoe

A single estate black tea grown at an elevation of 5,600ft in Nuwara Eliya, one of Ceylon's finest tea-producing provinces. Selected from bushes that are over 100 years old, this tea offers a beautiful golden liquor that is light, bright and smooth with a delicate floral aroma.

## Spiced Rooibos

## Silver Dawn

This prized white tea from Namunukula Mountain in Ceylon is kept tender by the gentle mist that shrouds the mountain. It is collected by expert pickers using a velvet cloth to preserve the buds' silvery-white fur. It has a sweetish background with a mild taste that lingers on the palate. Precious Persian saffron, known for its vibrant colour and extraordinary aroma and flavour, is blended to enhance the soft sweetness of this fine tea. *(Supplement of £10 per pot)*

## Golden Tips

From a rare, reddish tea bush, cultivated near Ceylon's Adam's Peak, the buds are untouched throughout processing to maintain purity. Golden scissors are used to cut the young buds, still enveloped in golden down, early in the morning before the sun heats up and the bud unfurls. The leaf is then withered and dried naturally on velvet. This golden tea dazzles with its savoury aroma, rich body and light notes of pine and honey. *(Supplement of £10 per pot)*
